

# Little People's Learning Center

## Spanish Language Videos and Activities

### 1.) Colors:

Videos: [Los Colores](#) Song and [Train Colors](#) Song

*Activities:*

Collect items in your house that are red (rojo), blue (azul), green (verde), yellow (amarillo), white (blanco) and black (negro). Depending on their age and interest, you can do this with fewer colors or even more!

When you say the name of the color in spanish, have your child find an object from the pile that matches that color. You can also have them pick up objects and tell you what color they are in spanish. If they get into it, you can have the hunt around the house for items that match colors as well.

### 2.) [Active Brain Break in Spanish](#)

### 3.) Numbers:

Video: [Numeros Song](#)

*Activity:* Count your fingers in Spanish. Use one of the sorting tools from the One Fish, Two Fish, Red Fish, Blue Fish activity on Monday to practice sorting and counting objects in Spanish.

If this is a fun activity for your child and you want more videos and learning opportunities, [this playlist](#) has a bunch of them!
